

Harmony in the Schools

Harmony is an all-inclusive LGBTQA chorus, with members ranging in age from early 20's to mid 80's. Everyone is welcome to participate. Our mission is to "embrace and inspire an inclusive community through song." Music serves as our message to help eradicate, hate, bullying, misunderstanding, and to create a better world, especially for LGBTQ kids.

We are here for you!

The Harmony In The Schools project, developed by Artistic Director Bill Loper, is an all-encompassing, customized opportunity to have members of Harmony connect with your school group.

We will:

- ▶ Provide a speaker or panel to visit your gay/straight alliance to discuss LGBTQ issues such as self-esteem, peer pressure, bullying and coming out
- ▶ Create an individualized workshop for your choir: choral coaching
- ▶ Collaborate a school assembly, outside concert or joint rehearsal
- ▶ Observance event: Day Without Hate / Day of Silence / Transgender Day of Remembrance

“...the students were enamored by the honesty and integrity of the choir. It was the highlight of the week. Students were either silent or singing along to the songs about bravery, acceptance, hope, and beauty.”

~ Amanda Workman

“... you taught them more in 45 minutes than I could have possibly taught them all year. You sang music that spoke to them in a way I never could...you sang to them of overcoming obstacles in such a way that they “know” your obstacles were real. You assured them that it does, in fact, get better... even when it feels that it never will. You showed them how to be proud of who they are, no matter who they are...you created a safe and loving environment for them to take risks. I saw smiles, I saw you sharing hugs, and I saw in them pride in being successful...thank you from the bottom of my heart and know that your work matters and that what you do makes a difference. I love each and everyone of you just the way you are.”
